

WEEK 5 | Partnering with Parents

Watch the Week 5 Video: “PARTNER WITH **PARENTS**”

Nurture an _____ faith.

CUE THE PARENT

Why is partnering with parents more impactful than trying to reach students ourselves?

What does it mean to “include parents” in everything we do?

HONOR THE PARENT

How do we help students in their relationships with their parents with how we lead?

How can we hurt this relationship?

REINFORCE THE FAMILY

How can what parents do at home be helped by how we talk to students?

(Make sure we don't talk badly/disrespectfully about parents, don't plan during big family holidays, talk to parents about how their students are doing, ask how you can help parents, etc...)
